

# MVP BASEBALL CAMP

## Camp Philosophy

This camp is for players that love baseball as much as I do. Each day, intensive individual and group instruction will be given in the fundamentals of baseball. Every aspect of the game will be covered from hitting and pitching to position play and base-running. The last hour, the campers will organize in teams for game competition. The games will be structured to allow teaching to continue and to see the campers perform in game-like situations.

I am very proud to offer your child instruction from the coaches of the Demarest High School baseball staff. The experience and backgrounds of these coaches vary from high school to college level experience.

I am looking forward to working with your child at MVP Baseball Camp, where your child will have fun while becoming a better baseball player.

Sincerely,  
Michael Carcich  
Camp Director
